GAME DESIGN

2026

Self Intro

Hello, I'm Fengzhou Li, a 3D artist focused on modeling and environment design. I specialize in hard-surface modeling, weapon design, and texturing, aiming to balance stylized and realistic visual styles.
I enjoy exploring procedural tools and next-gen rendering workflows, and I strive to bring strong detail and visual expression to every piece I create.

Eductaion: University of Utah

Major: Game Design

Software:

Maya	Substance Painter
UE5	GameMaker

Content

1. Gunfire
2. Mushroom Garden
3. King of War
4. Pharmacist
5. Dino TD
6. 3D Models
